H.E. Mrs. Ursula von der Leyen President of the European Commission Wetstraat 200 1049 Brussel Belgie

Gemert, April 2023

Dear President of the European Commision,

The undersigned, residents of Gemert-Bakel in the Netherlands, are seriously concerned about the human rights situation in Iran. We therefore call on you to help end the violent repression against peaceful demonstrators in Iran, help to liberate people held illegally, reverse death sentences and establish an independent UN body to investigate crimes in Iran and end impunity. We also ask the European Parliament to add the Revolutionary Guards, responsible for human rights violations, to the European list of terrorist organisations. International pressure works and should include targeted sanctions against Iranian authorities and institutions responsible for the deadly violence against demonstrators.

We trust that you will heed our call.

Yours faithfully,
